

Welcome to Team 6-4

Welcome to Team 6-4! Our team philosophy is one that focuses on respecting all student abilities, strengths, weaknesses, and differences. We believe that all students deserve to be educated in an environment that leads to their academic and social successes. Our expectations for you are to be responsible for yourself, respectful of others, and always put your best efforts into your learning. We are so excited to have you as a member of our team.

In sixth grade, we will be learning exciting academics! We will read great stories, study math concepts including algebra, learn about countries in social studies, have thirteen weeks of DARE education with Officer Barker and conduct experiments in science. It is going to be a busy and fun-filled year, so come prepared to learn!

Planners

Planners are used on a daily basis. All assignments are noted in subject areas in planners and will initially be checked by your homeroom teacher at the end of each day to ensure accuracy.

Regular assignments are due at 8:15A.M. on the following school day. Students start out with homework points each grading period in every academic area. You will lose 5 points, on non-graded homework, each day that homework is incomplete or late. If homework is taken for a grade, then the grade will be docked a percentage of the total points. Organization and responsibility for homework is one classroom goal.

Friday Folder

Student work, building flyers, PTA news, and community information that have not been posted on the school website, will be sent home in a folder each Friday. Students are expected to share these items each week with their parents.

Parent Teacher Communication

Parents may communicate in planners, by e-mail, in writing, or by telephone. Our e-mail addresses are st_baughman@smfcsd.org (Mrs. Baughman), st_gillespie@smfcsd.org (Mrs. Gillespie), and st_allisonanderson@smfcsd.org (Mrs. Anderson).

Check out our Team 4 website (lakeviewteam6-4.weebly.com)

We post weekly lesson content, important information, and classroom pictures.

Sign up for our Remind101 account to receive occasional text or e-mail reminders of important events. Text @a8406 to 81010 or send a blank e-mail message to @8406@mail.remind.com

We look forward to working with you this year!

Mrs. Deb Baughman, Mrs. Pam Gillespie, and Mrs. Allie Anderson

Team 64 Student Supply List

Loose leaf notebook paper (wide rule) or subject notebooks

Two one subject **spiral bound** notebooks (for math and science)

One **composition** notebook (not spiral bound)
