Dear Dr. Jones;

**Congratulations!**

Your school district has been nominated to participate in the 2011 OSBA Student Achievement Fair to take place at the OSBA Annual Capital Conference on November 15, 2011.

This letter is to inform you that the nomination meets all of the criteria and has been accepted. This is a special honor as only 100 nominations are accepted to participate.

Board members, administrators and key leaders from across Ohio will be viewing your booth. They will be interacting with your staff and student participants and learning all about the good things happening in your district. Please make every effort to recognize and support the following individual(s) for taking the initiative to spotlight your district. They will be planning and implementing this important project.
